Mr. W. Ehrmann, manufacturer
of confectioneries in Louisville, was
in our city Monday.

The Circuit court has adjourned,
and Judge Stark has gone home
to Springfield.

Just at this particular time
are very much in need of a good
rain.

The strawberry crop is at last
ripening, and in a few days our
people will have an abundance of
this fruit.

Some communications of a literary
nature that have recently been
handed in to this paper, have been
crowded out by a rush of local news.

THERE is no small-pox in New
Providence now. All of the parties
there afflicted with the disease
have recovered, and no new cases
have appeared.

As was generally expected, the
trial of Hon. Phil Thompson for
the murder of Walter Davis, at
Harrsburg, Ky., resulted in an
acquittal.

A SLIGHT change has been made
in the schedule of the L. & N. R.
The freight with a passenger
coach attached now goes up at 6 a.
m., instead of 11:20 p. m. as formerly.
And the morning passenger
going north is a half-hour later, be-
ing due here now at 8 a. m.

A new post-office has been estab-
lished at Steel's Spring, about six
or seven miles below the city on the
railroad. Mr. John R. Steele is the
postmaster. It will be opened for
the reception of mail next week.
The address will be Steel, Mont-
gomery county, Tenn.

We call the attention of our read-
ers, and especially of those residing
in Kentucky, to the lists of appoint-
ments for railroad speaking, pub-
lished elsewhere in this issue. Able
speakers will appear on each occa-
sion and fully set forth the advan-
tages of the new railroad.

THE Diocesan Convention has
drawn to our city this week a num-
ber of prominent Episcopal clergy-
men, among them Rev. Dr. White,
the venerable rector of Calvary
church, Memphis, Dr. Beckwith,
of the Columbia Female Institute, Dr.
Hodgson, of the University of the
South, Rev. G. W. Dumbell, rector
of St. Luke's, Jackson, and Dr. W.
C. Gray, of Nashville.

Mr. A. V. Goodpasture, a well-
known young attorney of this city,
will deliver the annual address be-
fore the Alumni Association of the
University of Tennessee at Knox-
ville, in June. It is a decided com-
pliment to a man of Mr. Goodpas-
ture's years, that he should have
been selected to deliver this address
before the Alumni of so noted an
institution.

A dispatch to the American from
Jackson, Tenn., in speaking of re-
cently celebrated in that city, has
the following reference to our dis-
tinguished townsman,
Hon. John F. House: "The ad-
dress of Col. House was eloquent
and patriotic, and elicited the warm-
est applause and the highest praise.
It was an eloquent defense of the
rights of the border States and of
the South."

DIOCESAN CONVENTION.

The annual convention for the
Diocese of Tennessee, assembled in
Trinity church in this place Tues-
day last, Rev. C. T. Quintard
presiding. Divine service was be-
gun at 10:30, a. m., and the conven-
tion sermon was preached by Rev.
T. F. Gailor. Immediately after
services the convention was organ-
ized. Twenty-five clerical and
thirty-four lay delegates have been
in attendance during the sittings of
the convention. Messrs. Thompson
and W. C. Gray were appointed a
committee on credentials. On mo-
tion, ballot was dispensed with and
Rev. T. F. Gailor unanimously
elected secretary. Messrs. Hodgson,
Barrett and Lessans, visiting clergy,
were invited to sit with the conven-
tion. Various committees were
then appointed by the Bishop and
the convention adjourned for din-
ner.

On reassembling in the afternoon,
the Bishop's address was read. It
was a lengthy and ably prepared
document, mostly devoted to a
report of his episcopal work during
the past year. After the reading of
the address, committees were ap-
pointed to take action in regard to
those portions relating to: the
death of the late Bishop of Canter-
bury; Death of Rev. Richard
Hines, and the University of the
South. Messrs. Howard, Morrell,
Lorton and Mead were appointed a
committee on the Church Building
Fund. It was resolved that the
convention meet at 8 o'clock that night
in committee of the whole to dis-
cuss the affairs of the University of
the South.

WEDNESDAY MORNING.
The convention was called to or-
der by Rev. W. C. Gray. S. H.
Lamb, Esq., made the report of the
standing committee.
Judge H. H. Lorton introduced
the following resolution, which was
passed:

Resolved, That it is the sense of
this convention that the University
of the South is deserving of the most
heartily and liberal support. That
the convention in its corporate ca-
pacity, and we the members as indi-
vidual clergymen and laymen of
the church, pledge our earnest ap-
proval and support to the proposed
scheme of endowment, and that the
commissioners of the University
shall receive our hearty co-operation
in their efforts in our several
parishes in obtaining such endow-
ment.

The convention then adjourned
until 2:30 p. m.
On reassembling the Bishop was
the report of the committee on Educa-
tion and Rev. Thos. F. Gailor made
the report of the Treasurer.

The Bishop appointed Rev. G.
W. Dumbell to preach the Conven-
tion Sermon of the next annual
convention and Rev. H. H. Snead
to preach the Odey sermon.

Albert T. McNeal, Esq., intro-
duced a resolution which was passed
recommending some action taken
at the last convention in regard to
Calvary church, Memphis.

The election of officers for the
ensuing year was then gone into
with the following result:

Rev. Thomas F. Gailor, Secre-
tary; Rev. E. F. Sevier, Treasurer;
Rev. W. C. Gray, Registrar; Albert
T. McNeal, Esq., Chancellor; Rev.
George White, Historiographer.

VENTION.

Gray, Rev. P. A. Fitts and Rev. G.

H. Snead, Rev. Thos. F. Gailor and
Rev. Mr. Morrell. Lay: J. R.
Seales, Esq., S. H. Lamb, Esq., P.
G. Johnson, Esq., and Mr. Orr.

It was decided to hold the next
convention in St. Luke's church,
Jackson, on the first Tuesday after
Ascension day of next year.

THURSDAY.
The convention met at the regu-
lar hour with the Bishop presiding.
A committee was appointed to
take action on that part of the
Bishop's address relating to the
death of Rt. Rev. J. C. Talbot,
Bishop of Indiana.

A. T. McNeal, Esq., read the
report of the finance committee. A
resolution attached to the report
was adopted. It stated that the
finance committee be instructed to
raise \$3,500 by assessment of parishes
during the ensuing year.

A resolution was passed endor-
sing the proposition to raise \$10,000
as an endowment fund for the mis-
sionary episcopate, the same to be
a memorial fund to the memory of
Dr. A. T. Twigg, a distinguished
divine of the missionary service.

DIVISION OF THE DIOCESE.
Rev. W. C. Gray read the report
of the committee on the division of
the diocese which was prepared by
an earnest and emphatic statement
of the Bishop of his cordial approval
of the division of the diocese.

The reports of special committees
were read and adopted.
Much time was spent Thursday
night in considering the report
of the assessment committee which
was made by Frank Williams, Esq.,
Chairman.

INCIDENTS OF THE CONVENTION.

The Convention met Tuesday
night in committee of the whole to
discuss the affairs of the University
of the South. Dr. Hodgson, the
Vice-Chancellor of the University,
made a lengthy address, which we
will publish next week. Messrs.
Seaseus, Gailor and W. C. Gray
made interesting speeches on the
subject.

Rev. W. G. Davenport, of St.
James Church, Bolivar, preached
the "Odey Sermon" Wednesday
morning. On the same occasion
Messrs. T. B. Drysdale, F. A. Ju-
roney and E. De St. Just were or-
dained to the diaconate. The first
mentioned has charge of a church
at Fayetteville and the last two are
stationed at Somerville and Covin-
gton, Tenn., respectively.

The report of the committee on
the state of the church was very
encouraging. It showed an increase
in the offerings last year, over those
of the previous year, of \$17,000; an
increase of communicants of 292.
Two new churches, St. Anne's,
Edgeland, and the church of the
Holy Cross, Mt. Pleasant, were
built during the past year. A church
at Fayetteville and one at South Pittsburg
are being erected. St. Luke's church
Jackson, Tenn., has been re-built
in splendid style during the past
year. A new rectory has been built
at Trenton and four acres of ground
has been contributed to the site of
a rectory to be built at Cumberland
Furnace.

Prof. Emery's Second Concert.

Prof. Emery gave a second con-
cert in Elder's Opera House Thurs-
day evening, repeating the pro-
gramme of the entertainment of the
evening of the 10th inst. Those
who attended the first concert were
so highly delighted that a general
desire was expressed that it be re-
peated. A larger audience attended
Thursday evening than on the for-
mer occasion and demonstrated
their appreciation by frequent and
appropriate applause.

An Overture (Lodoiska) exqui-
sitely rendered by Messrs. Bloch,
Rosenplancner and several ladies
and gentlemen, was repeated by re-
quest. "Orange Blossoms," a song
by Miss Jennie Bailey, was the
most popular feature of the pro-
gramme and was loudly encored.

These concerts have discovered
an unexpected amount of amateur
musical talent in Clarksville of the
first order, and we hope that the
public will be frequently treated to
such entertainments in the future.

Citizens' Building and Loan Association.

The stockholders of this Associa-
tion at their Annual Meeting, re-
elected Messrs. B. W. Macrae, H.
H. Lorton, P. G. Johnson, A. How-
ell and J. J. Crisman as Directors.
These gentlemen have served as
Directors since the company was
first organized, and have discharged
their duties faithfully, and man-
aged the business of the association
well. They have decided to issue a
few shares of stock, and books are
now open for subscriptions to this
series at the office of the Sec-
retary at the Franklin Bank. An
initial fee of twenty-five cents
per share, and the May call of one
dollar per share, must be paid at
time of subscription.

A Card Of Thanks.

I desire to return sincere and cor-
dial thanks to the ladies and gentle-
men of the chorus and orchestra, for
their very kind and valuable assist-
ance in giving the concert on Thurs-
day night. To the audience I
would give a word of praise for
their silent and earnest attention,
the influence of which was felt on
the stage, and enabled the perform-
ers to interpret each number with
proper effect and expression.
Prof. WM. EMERY.

Coal Oil Inspectorship.

Some time ago Gov. Gate ap-
pointed Mr. M. T. Ingram coal oil
inspector for Clarksville. J. W.
Paine, colored, had been appointed
to the position by Gov. Hawkins
for two years, and only one year of
that time had expired. Page en-
joined Ingram from taking posses-
sion of the office. The case was
heard before Judge Stark this week
and the injunction was made per-
petual. The Judge decided that the
coal oil inspectorship was a consti-
tutional office, the term of which
was two years, and Page having
been appointed for that time he
could not be displaced until the full
term had expired.

HON. J. PROCTOR KNOTT was
nominated for Governor on the 7th
ballot by the State Democratic Con-
vention at Louisville, Thursday.
No better nomination could have
been made. Proctor Knott is one
of Kentucky's ablest sons and is
saying a great deal for a man who
lives in the same State with Car-
leile, Beck, Joe Blackburn and others.

Mrs. Maud H. Hancock, wife of
L. W. Hancock, died on the 11th
inst., at the residence of her grand-
mother, Mrs. Louisa Chiles, on
Spring Creek, in this county. She
deceased was about twenty-five
years of age. Her death was a very
sad one and is deeply regretted by
her many friends.

net of the Confederate President.

observed, is owned by Messrs. Cal-

handy.

besides industry and economy, to
say nothing of fun and health.
